

Skills

- **Programming Language** : Python, PostgreSQL, C, HTML, CSS, JavaScript
- **Frameworks & Libraries** : FastAPI, React, SQLAlchemy, Pydantic, Starlette, Bootstrap, Redis, Alembic
- **Tools & Technologies** : Git, VS Code, Postman, Swagger, Docker, Celery
- **Database Tools**: DBeaver
- **Project Management & Design Tools**: Jira, Figma

Industry Experience

Hexobyte Solutions Pvt. Ltd. (Full Stack Developer)

Feb 2024 – Present

- Collaborated with a team to develop a robust backend project using Python, FastAPI, and PostgreSQL.
- Worked with frontend developers to design and implement a dynamic user interface using React, Bootstrap, and JavaScript, contributed in increase in user engagement.
- Partnered with cross-functional teams to gather and refine requirements, ensuring that backend and frontend solutions aligned with client needs and project timelines.
- Participated in code reviews and debugging sessions with team members to maintain high-quality standards and application stability.
- Worked with the team to monitor and resolve technical issues swiftly, contributing to improved client satisfaction.
- Engaged in team meetings and brainstorming sessions, contributing innovative ideas to enhance project outcomes and improve workflow efficiency.

Projects

Transaction Management Application: [\[Frontend\]](#)[\[Backend\]](#)[\[Live\]](#)

- A user-friendly platform for tracking and managing financial transactions. Allows easy categorization of expenses and monitoring of income. Designed to help users maintain control over their budget effortlessly.
- Key Features: Secure Authentication & Authorization with validations , Password Security(hashing), Responsive Design
- Role-based access control: Admin can manage all users and view their transactions ; regular users manage only their data.
- Tech Stack: **Python, FastAPI, PostgreSQL, React, JavaScript, HTML, CSS**

Mini Projects:

- **Portfolio Website:** [\[GitHub\]](#)[\[Live\]](#)
- **Tic-Tac-Toe Game:** [\[GitHub\]](#)[\[Live\]](#)

Education

Year	Degree	Institution/ Board
2022	B.Tech (Computer Science and Engineering)	Shivaji University, Kolhapur
2018	12th	Maharashtra State Board
2016	10th	Maharashtra State Board

Achievements and Co-Curricular Activities

- Demonstrated exceptional coding proficiency by achieving a milestone of solving over 450+ coding questions on the Geekster platform .
